Spring Clean-Up

The date for Spring Clean-Up is **May 18th**. All items must be at the roadside by 6:00am.

Special trucks will pick up Spring Clean-Up items. They will not pick up construction materials, tires, oil/oil drums, paint or large car parts. (Your weekly garbage and recycling will be removed by your regular disposal company. Please keep these containers separate to ensure ease of removal.)

Note: Refrigerators/freezers (doors must be removed), air conditioners cannot be taken unless the Freon is removed by a certified technician and tagged for pick-up.

Questions? Call Bill Morgan at the Township Office (847-362-3350).

Pond Update

Mosquito Abatement

Remember to pick up your dunks this summer from the Township. Help keep the mosquito population down by removing or treating sources of standing water.

The Township annual budget is still pending. Updates on abatement aid will come as news is available.

Pond Clean Up Days – Volunteers Needed

May 14th starting at 12:00pm! Contact Kathie Machado at 847-641-0296 or director1@nleca.org if you are interested in more information.

Pond Maintenance

Over the years, the ground from the edges of the pond has been eroding into the pond itself. The depth of the pond has shrunk. Dan Herchenbach has been working with the Libertyville Township Highway Commissioner to discuss possible measures for dredging of the pond.

Community Garage Sale

The date for the community garage sale is June 23, 24 and 25 (Thurs-Sat). We are partnering with the annual garage sale at Countryside Manor for a larger turnout.

You may contact Heather Socie at 847-293-5307 or treasurer@nleca.org for more information.
